

Ride the big ones – An AoW Anthem

C F G C
We climbed aboard this ship with our hearts already burning
Dm9 F G G7
we didn't have a clue how they'd meld into a blaze
C F G Am
Looked forward to whom we would meet and what we'd be learning
Em Am Dm G C
Adventures every day that never fail to amaze

Refrain:

C Em
We're gonna ride the big ones
F G
When there are challenges we dive right in
C Am
Ride the big ones
Dm Hdim
If you doubt or fear you cannot win
Em Am
And if our wave should fall
E F
we'll gather all our soul
(d-g-c) G F C
and then just raise an even bigger one.

C F G C
We sailed across two tropics and a whole big blue ocean,
Dm F G G7
from the Pyrennees and Canaries to the Coast of Brazil
C F G Am
But bigger than our path is what we're setting in motion
Em Am Dm G C
and a longing that no other trip could ever fulfil.

Refrain...

Am
See the storm
Em Am E Am
that's rising from in the east, and doesn't heed no norm
Em Fm D G
It scares away the beast, unsustainable in form
Cm G Ab G7
It clears the old to pave the way for something new and brave -
C7
the perfect wave.

Refrain...
